NOTE *from the* ORGANIZER

Their and your presence have elevated the prestige of our festival and inspired the many young talents who join us year after year. Hosting this tournament in Sardinia is a privilege in itself. Our island is a land of striking contrasts—crystal-clear seas, rugged mountains, and a cultural heritage that stretches back thousands of years. To play chess in such a setting is to combine intellectual competition with the discovery of a land rich in tradition, hospitality, and natural beauty.

We extend our heartfelt thanks to the Local Government of Sardinia, whose continued support makes this festival possible. Their commitment to sport, culture, and international exchange ensures that the Sardinia World Chess Festival grows stronger with each edition. On behalf of the organizing team, I wish you all inspiring games, rewarding encounters, and unforgettable memories here in Sardinia. Welcome to the Festival, and welcome to our island!

Dear Participants,

It is our great pleasure to welcome you all to the Sardinia World Chess Festival. This event has quickly become a landmark on the international chess calendar, bringing together players of all levels to share in the joy, challenge, and beauty of the game.

GM Roberto Mogranzini
Tournament director

The REGULATIONS

All foreign players without FIDE rating have to show proof of their national ratings. FIDE and FSI ratings changes and achievements follow current FIDE and FSI handbooks.

Open A \geq 2000 ELO

Open B $<$ 1999 ELO

Open C $<$ 1699

Registrations will be reassessed based on the May ELO rating list update. The Organizing Committee reserves the right to accept up to 10 wild cards per open for those players who hold an insufficient ELO. Requests to be registered in a tournament other than a direct assignment tournament must mandatorily be submitted by email.

The time tolerance is 60 minutes.

Each player is entitled to request a half-point bye in any round, with the exception of the last two rounds, and only once, as stipulated in Art. 6.3 of the R.T.F. Such a request must be submitted before the beginning of the tournament, preferably by email.

All tournaments have 9 rounds, the time control is 90' + 30".

The pairing system used is the Swiss.

Tiebreaks at the end of the tournament will follow this order: Buchholz Total, Buchholz Cut 1, Sonneborg - Berger, ARO (Average Rating of Opponents).

Notes for all players: Prizes will be paid exclusively by bank transfer in compliance with local tax laws. Players who do not attend the prize-giving ceremony forfeit any prize awarded. Access to the playing hall is permitted only with appropriate attire; shorts and flip-flops are strictly prohibited.

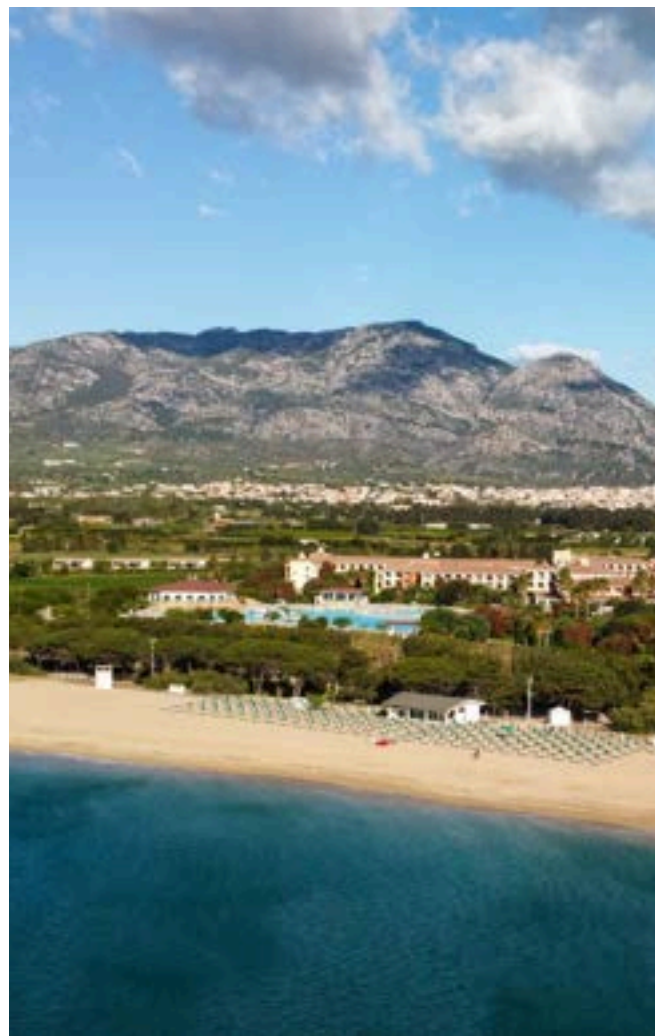

How to REGISTER

The Sardinia World Chess Festival applies a uniform entry fee for all participants, without distinction of rating, title, or category. This approach reflects the festival's inclusive spirit and its aim of bringing together players from different backgrounds on equal terms. The single fee structure ensures transparency and clarity for all those who wish to take part, while maintaining the same conditions for registration across the board.

The Organizing Committee, however, provides special conditions exclusively for players rated above 2600.

- Registration by March 31: €100
- Registration by April 15: €130 (subject to Organizing Committee approval)
- Registration after April 16: €150 (subject to Organizing Committee approval)

An additional fee of €50 will be added to the entry fee for all those player not staying at the official hotel (Sardinian players are exempt from this additional fee).
